- Checks were mailed out on the 1<sup>st</sup> of May. 47 of the 79 were deposited.
- Monthly Financials were emailed during the meeting.

**Judiciary:**

- No business to report.

**Timber Tickets:**

- Will have to monitor what is going on with our group night as the weeks continue to get shorter to that date.

**Old Business:**

- Some Gaglebox emails, specifically when doing Reply To All are not getting to everyone. Especially the links to this zoom meeting. In the future these will be new subjected emails with the link instead of Reply To All.
- Eric and Greg have not got together about the grant. No information from Eric is available at this time.

**New Business:**

- Fall Registration. Because of the ongoing issue for now, there is no need to put the Fall Registration up. Keep an eye on what is going on with Phase II and Phase III and the facilities. One thing that may be affected would be the managers meeting.
- Terry asked Sam if he is willing to stay on the board. Sam said yes, for now.
- Justin brought up coming back do we/are we allowed to shorten matches at all for fitness reasons? CJ said that the Open division might be the only division which we are stuck to USSF rules. The other divisions would most likely be able to be modified.
- CJ asked that for next meeting we explain how we are (as a league) maintaining or expanding the number of teams during this time.

**Close:**

- **7:51pm Meeting adjourned.**
